

Bleispitz Pro- Marker: Grease crayon leads

Images similar

Colour:  

Packaging unit: 5

The Pro- Marker is very sturdy and is manufactured completely from anodised metal. Handy size with useful clip, fits in any breast pocket - so the Pro- Marker is always close at hand. Grease crayon leads for marking almost any material, regardless of whether dry or wet: Automotive paint, tiles, bricks, wet and dry wood, glass, rubber, tyres, ceramics, concrete, metal, plastic and many more.
